You are still responsible for all non-covered services such as deductibles, copays, or coinsurance. You are responsible for providing correct and updated insurance information and referrals for services if required by your insurance company. For contact lens orders to be placed, a 100% deposit is required.

Consent to the Release of Medical Information:
The release of medical information is authorized to any entity that may be liable for your coverage to assist in the reimbursement of benefits that the patient is entitled to, and to other health care providers that may be providing assistance for your care and treatment.
